

IDEAS Everywhere

Polly Dunbar

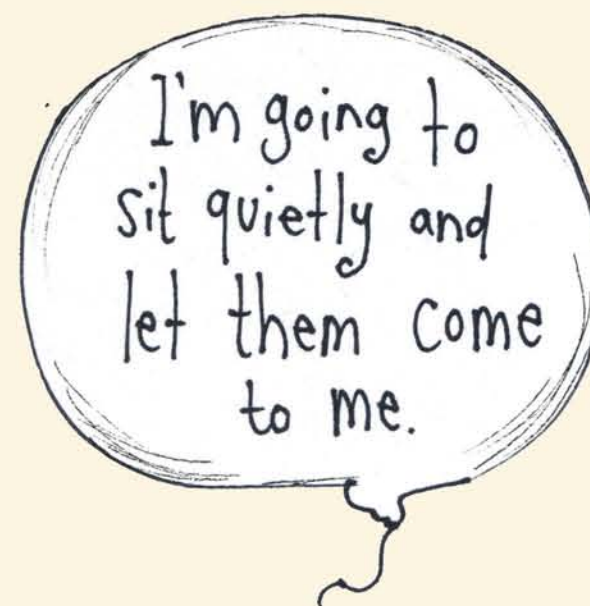

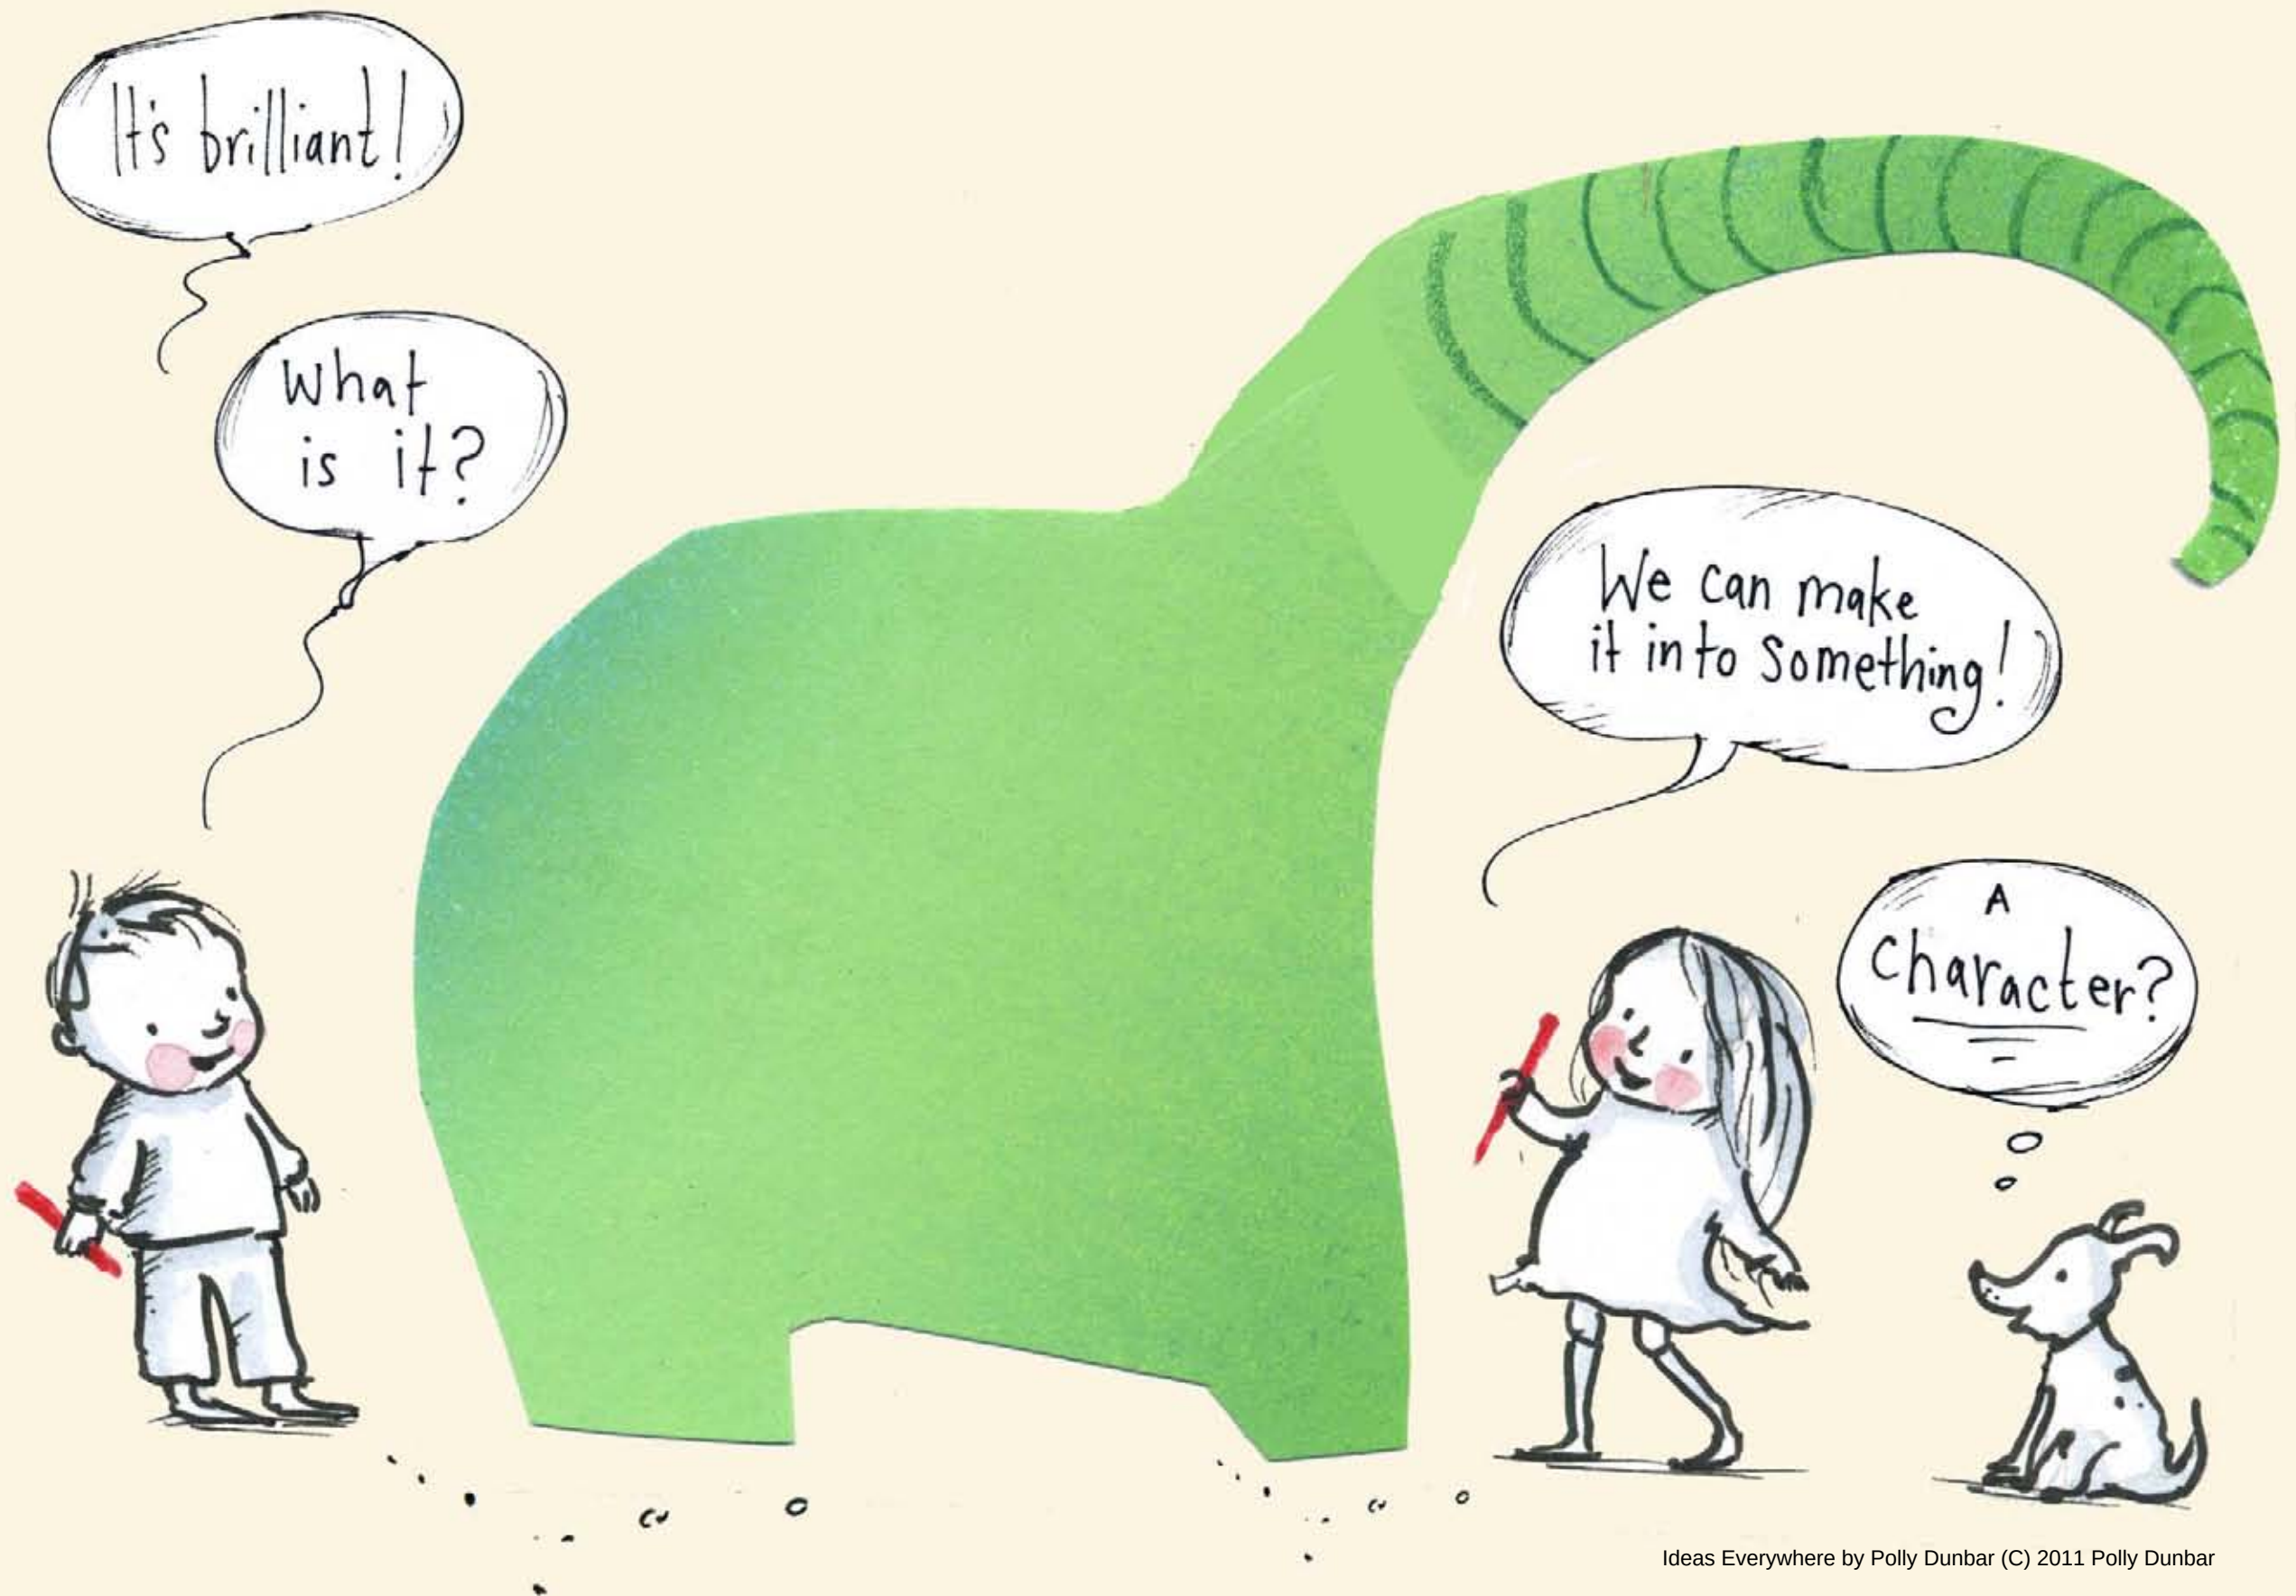

...every where!

But how do
you catch them?

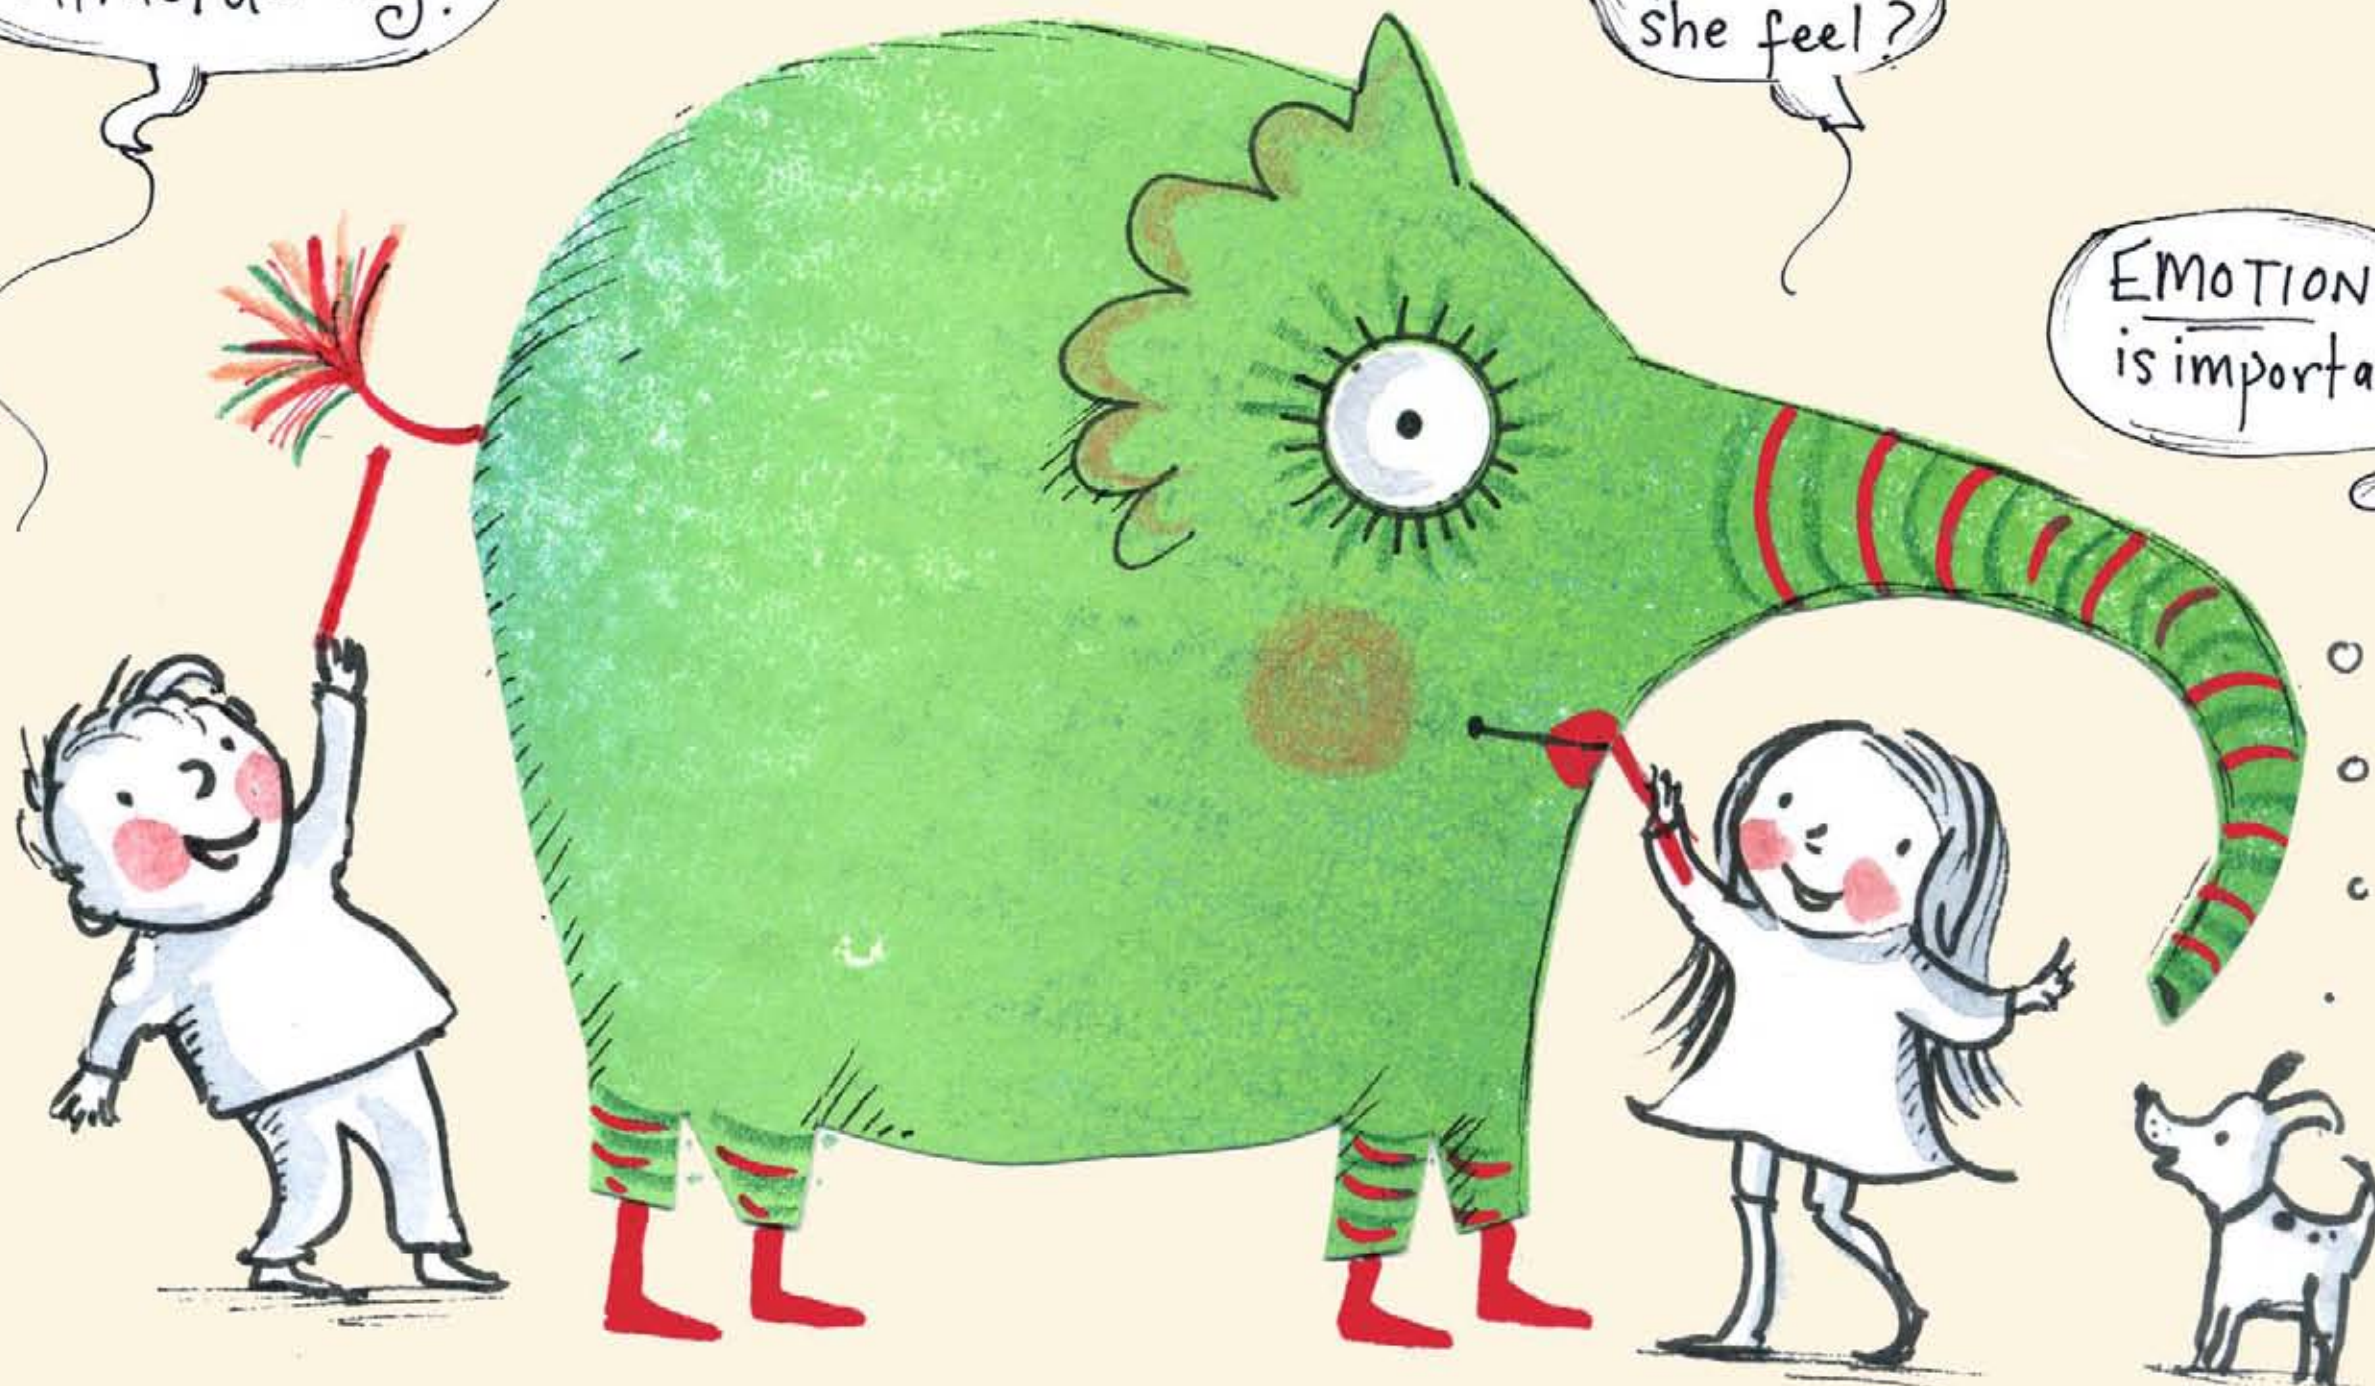

Wow! She's extraordinary!

How does she feel?

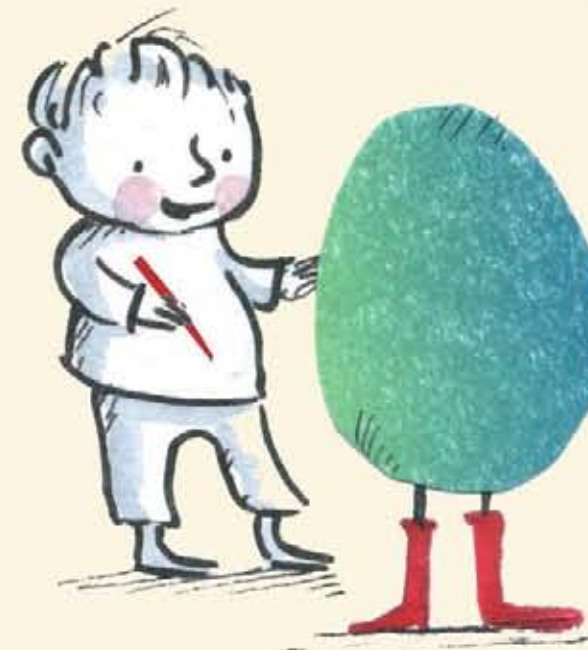

EMOTION
is important.

She feels lonely
because she's so
extraordinary

She needs
a friend.

Is it a good egg
or a bad egg?

We're at
sea!

Hooray!!

Hang on
We're too happy

Something
has to happen!

Spiffing!

... We need
CONFLICT!

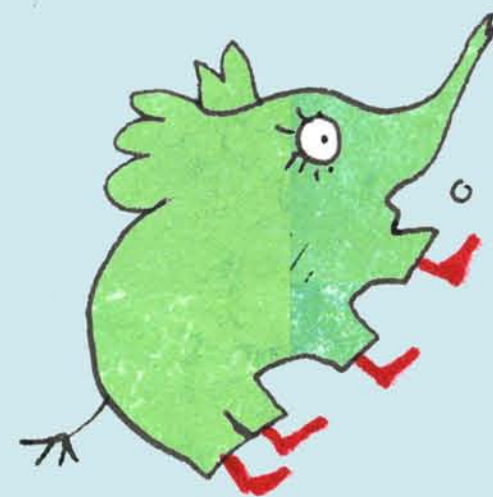

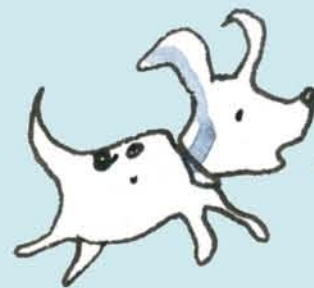

Whose silly idea
was this?

This is a
rubbish story

Help!

...and a DILEMMA!

I'm still
lonely!

...and now
I'm wet
too.

Writing a
story is our
dilemma!

We're
all sunk!

Look! We've reached
the middle of
our story!

It's a
turning Point

We need
another idea!

Now
What?

THE MIDDLE

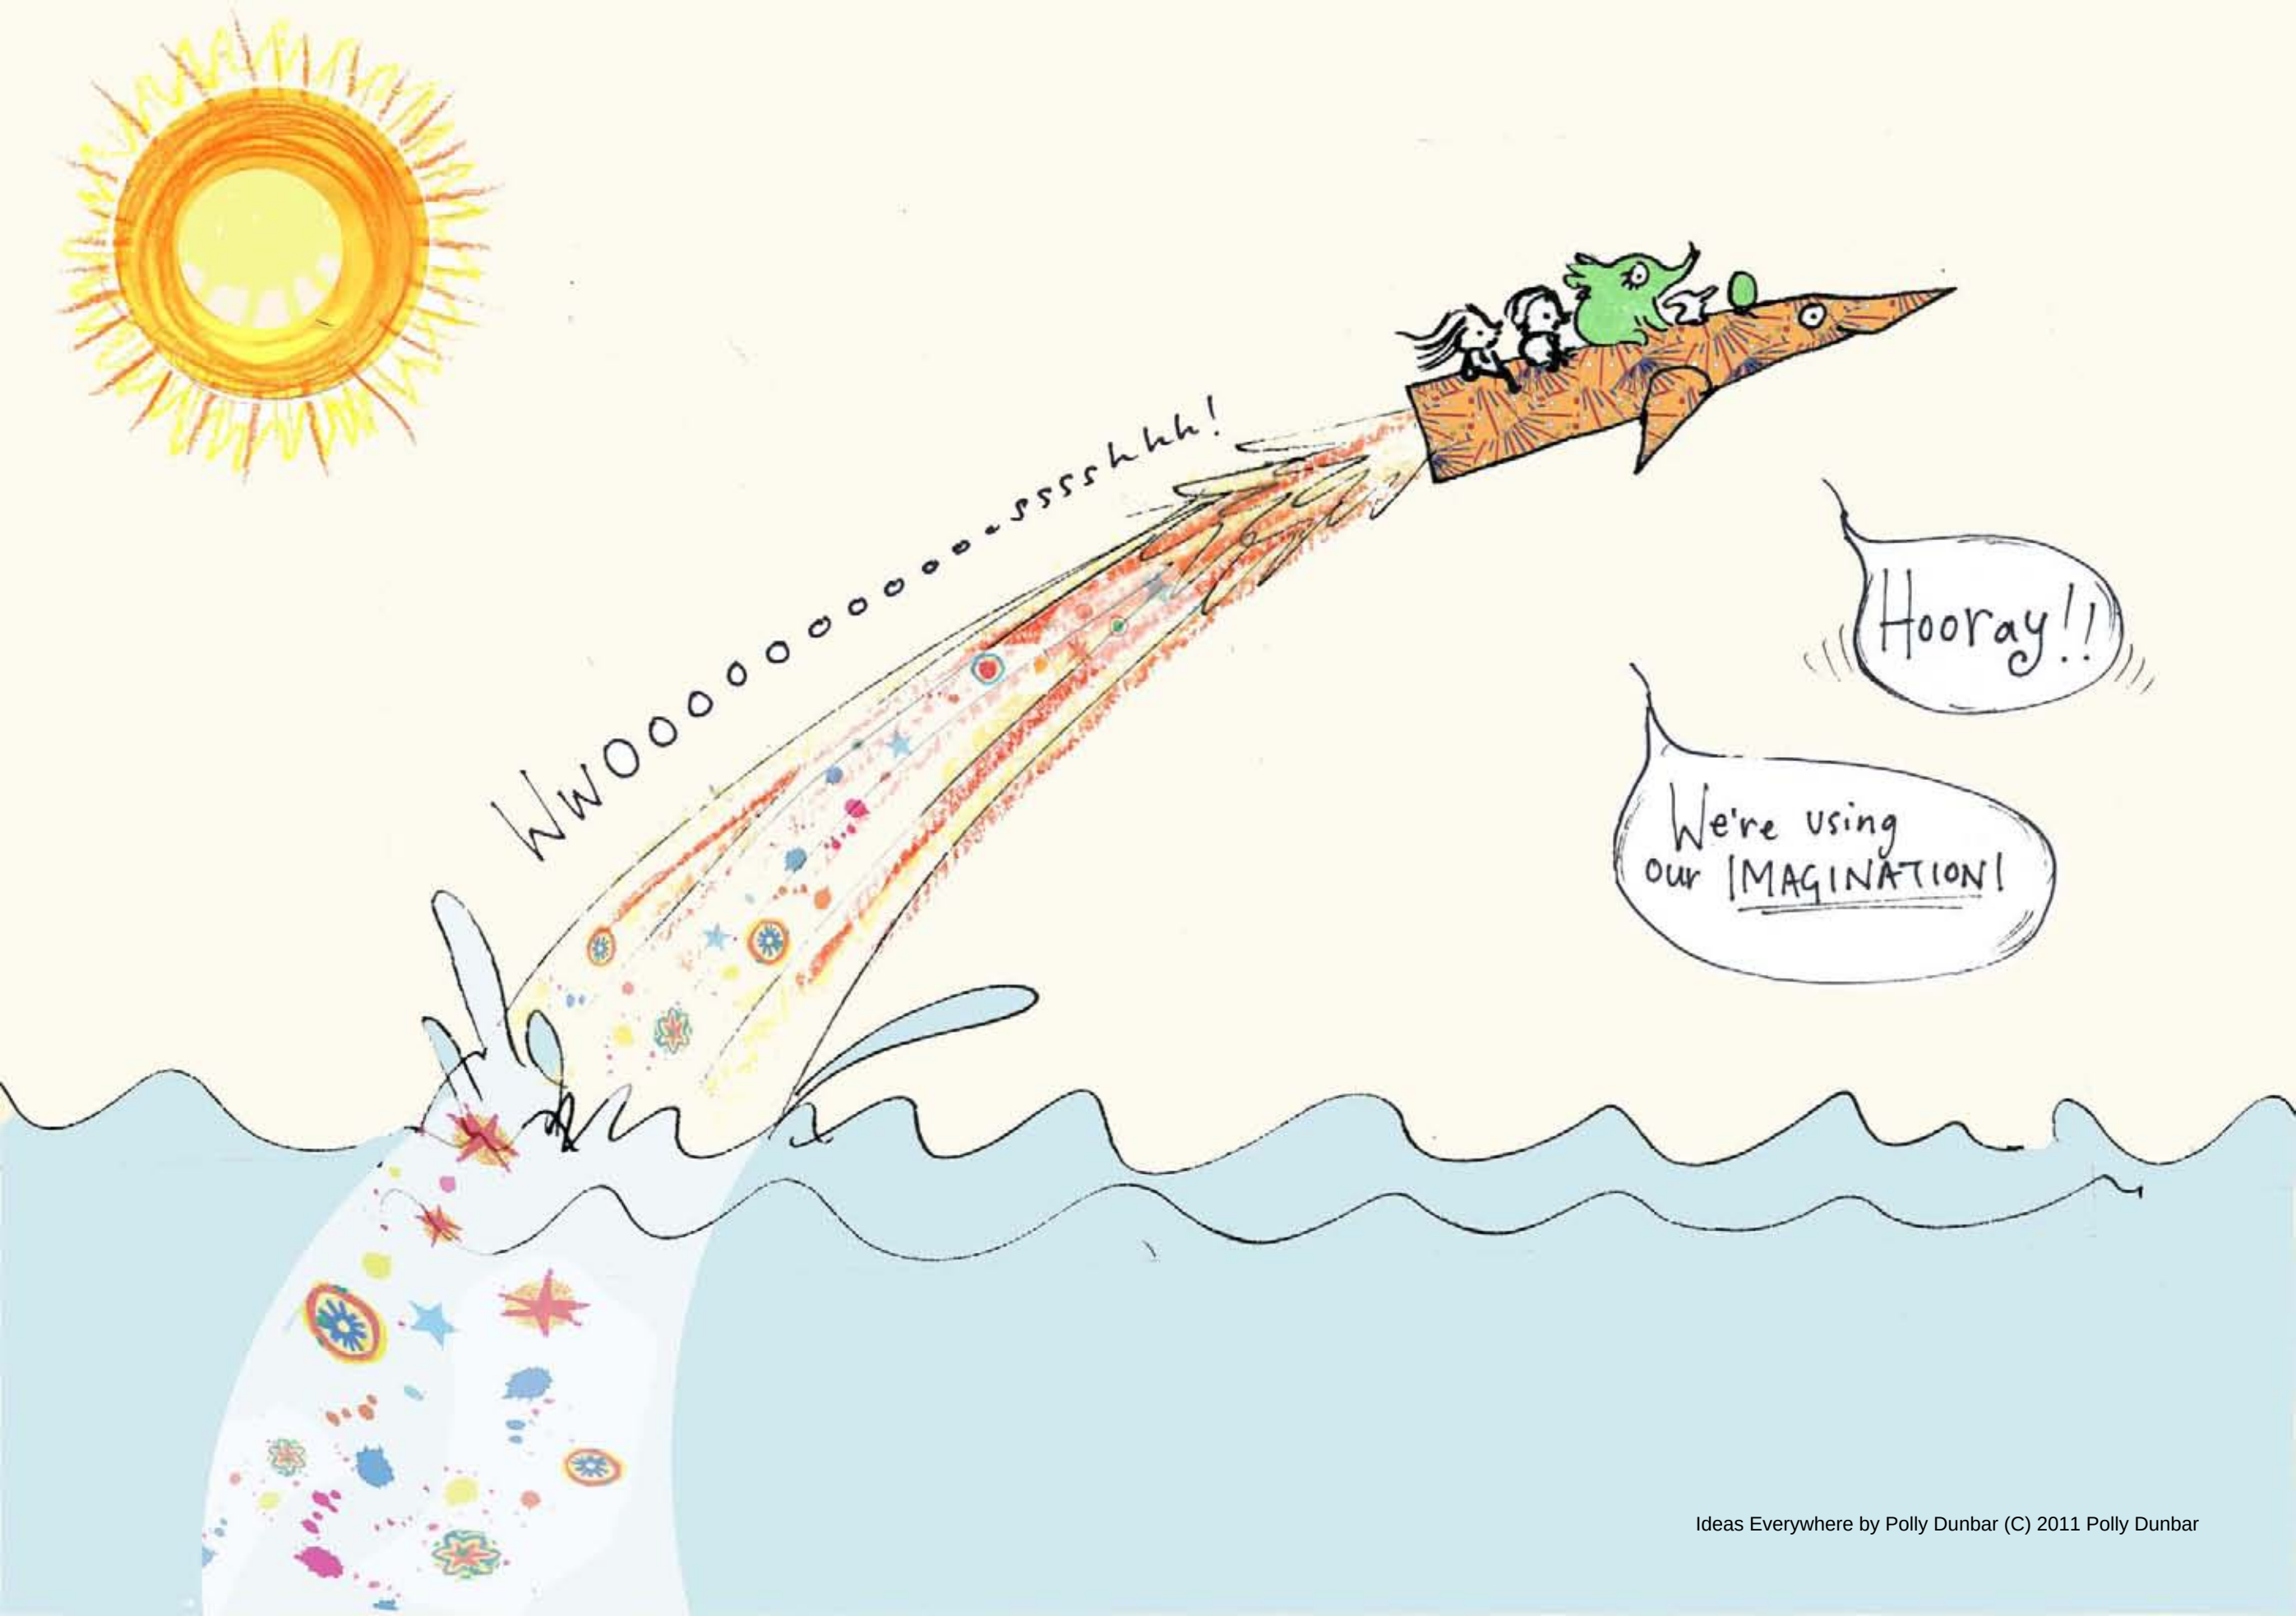

It's a
FISH!

It's a
ROCKET

It's our
RESOLUTION!

Look! The end
is in sight!

Woo-hoo!

WUMP

Crack

Crash landing!

Wow! We made it!

THE END
